MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM: Walter Elder  
Executive Secretary

SUBJECT: Revised DCI Directives

*John*

1. To follow up on our conversation, here's my first cut at a revised directive. It is intended to give you a chance to let the sun shine in. I consider my draft to be still stuffy.

2. You know far better than I do what has been overtaken by events and what needs to be included to get up to date.

4. I look forward to your comments.

5. Once you and I are agreed on a draft, we'll then discuss the next steps. My practice to date has been to get the DDCI to review the revised draft and approve its circulation to an appropriate forum for informal comments.
